WELCOME TO JACK'S! Scratch Kitchen

We are a Modern American Steak and Seafood Restaurant with a Southern flare. We use a wood fired grill featuring a pecan, oak and mesquite wood combination to create the right balance of heat and sweetness to our grilled items. We source the best quality ingredients we can find to bring you a memorable dining experience.

Jack's on Pearl was established March 29, 2022, in honor of Jack Lockton; a true business leader and pioneer who loved entertaining, genuine hospitality, and world class client service.

We raise a glass to you, our esteemed guests. Cheers and welcome to Jack's!

JACK'S PRIME CUTS

We proudly serve USDA Certified Midwest Linz Heritage Reserve Beef using the best genetics in the Black Angus breed. To maximize flavor and tenderness, we dry age our reserve ribeye steaks for a minimum of 38 days

We dry age all our fresh fish from 5 to 28 days depending on the fish species. Dry aging the fish creates a more tender finished product, while bringing forth the natural flavor of the fish, and imparting fruit and floral notes.
